 Ambience pictures

The Tatami Collection offers a fully upholstered modular sofa set with a teak frame, designed to adapt seamlessly to your style and space. Create countless configurations with the modular pieces and personalize your lounge set by selecting from our extensive fabric range.

FRAME

Frame made of superior quality teak with a good resistance to the effects of UV radiation, chlorine and seawater.

FOAM

The filling offers the comfort of an interior cushion, featuring a water-repellent interlining that is mildew-resistant and weatherproof. It is characterized by its ability to quickly bounce back after pressure, unlike memory foam which sinks and rises back very slowly.
